

We have a new website!

## Dear Friend

We are so excited to share with you our brand-new home on the internet. We recently redesigned our online platform to help make it easier to tell the stories of what God is doing through Jude 23 Ministries around the world.

You can see photos of our outreaches, catch up on our newsletters, and stay up-to-date with what God is doing around the world.

You are such an important part of the work we're continuing to do, and we wanted you to be among the first to see it!

After you've had a chance to look it over, [drop us a note](#) and let us know what you think!

George & Brenda

I can't wait to see the new site!
