Dear Friend

It's happening!

My dream from over three years ago to go to Pakistan is being fulfilled! God has opened the door for Tom Elie and me to make a difference in an unprecedented way. The [Assemblies of God](#) has invited us to train pastors and leaders in the [One-Minute Witness tool](#) on sharing their faith with others.

Last week, I received my visa to Pakistan, and we've secured invitations to conferences in Nepal, Pakistan, and Malaysia. (The Nepalese and Malaysian conferences are sponsored by inter-denominational leaders.)

Please pray for:

- Fruitful and effective conferences
- Safety for Tom and myself, as well as for our families back home
- Finances to fund this opportunity (it came together so quickly!)

I need to raise **\$10,000** to make this trip possible. It feels like a pretty big undertaking for me, but I know God's got this!

I'm off to paint a lady's house to help me raise money for the trip (in addition to one I painted recently.)

If you would like to help me cross the finish line for this God-given opportunity, [you can give online](#) or by check made payable to **Jude 23 Ministries** and mail it to:

As always, your charitable gift is tax-deductible.

Thank you for your prayers and consideration to help me go around the world in 16 days!

George
